

PROJECT CHARTER				
PROJECT NAME		DATE	AREA OF FOCUS	
BastırChef		20.10.2023	An app that offers recipes that can be made with the ingredients on hand.	
PROJECT DESCRIPTION		SCOPE		
This app is a vibrant platform connecting chefs and home cooks passionate about food. Our app enables chefs to share their favorite recipes, while users can effortlessly search for dishes based on their available ingredients. Users can create custom food lists, easily share them with friends, and discover new recipes tailored to their tastes. The app also offers intelligent recommendations, suggesting fresh recipes based on users' previous likes and preferences.		Ingredient-Based Search
